Re: Public Health Ontario Labs

Dear Minister Jones,

At its regular meeting held March 12, 2024, the Council of the Township of Asphodel-Norwood passed a resolution expressing concern about the possible closure of regional Public Health Ontario (PHO) laboratories, as stated in the [Office of the Auditor General of Ontario's Value-for Money Audit: Public Health Ontario](#).

WHEREAS the mission of Public Health Ontario (PHO) is to "enable informed decisions and get actions that protect and promote health and contribute to reducing health inequities", there are grave concerns that the closure of six community-based PHO labs will increase health inequities, especially for rural communities; and

WHEREAS combined these labs collect and process thousands of water samples and time sensitive medical tests each day; and

WHEREAS there are grave concerns about the integrity of samples being compromised if travel time is increased by centralizing all tests to a few locations; and

WHEREAS these labs already process overflow tests and samples when labs such as Toronto and Ottawa cannot keep up to demand and many scaled up to meet demand during the COVID-19 pandemic; and

WHEREAS frequent drinking water testing services is vital for Ontarians who draw their water from private drinking water systems (i.e. wells) and protecting groundwater quality and quantity is a shared responsibility.

As stewards of care for the *Safe Drinking Water Act, 2022*, Council urges the provincial government to take caution against acting on the recommendations stated in the aforementioned audit report.

Sincerely,

Melanie Hudson, Clerk
Township of Asphodel-Norwood
