The committee needs to make sure all our decisions follow procedure in the future.

Sloane, Councillor Aquilina, and Stephanie will be presenting at the Learning Café event and sharing the importance of the Seniors Advisory Committee and how seniors can volunteer in Port Colborne.

10. New Business

10.1 Trade Shows and Workshops

The committee discussed the need to participate in events like trade shows and seniors workshops to make more connections within the community.

The Port Colborne Public Library and other organizations already offer workshops for seniors, but it would be a great idea to liaise with these organizations and potentially partner with them for future events.

Discussion about potentially setting up a table once a month at the Library to provide resources and information to seniors.

10.2 Brochures

Tammy McDowell asked what the committee was thinking about giving out at the Farmer's Market in June.

Tammy offered to bring brochures she has available to her about resources for seniors.

Tammy will bring brochures to the Learning Café Guild Hall presentation on March 7th.

10.3 Update from Councillor Aquilina

Councillor Aquilina was sent the dates for the Guild Hall presentation and asked Mike if they could be shared in the Seniors Advisory Committee's Facebook page.

Councillor Aquilina introduced the committee to the foundation 'StopGap'. This foundation is a registered Canadian charity that produces accessibility ramps that can be placed over steps around businesses and communities, to create accessible communities.

There is an application process for 'StopGap' and Public Works is already moving forward with the application for the city. This would be a great opportunity for the Seniors Advisory Committee to get involved and possibly sponsor and assist in the application process.

Councillor Aquilina will send more information over email.

10.4 Port Colborne Legion Fish Fry

Dorothy shared the Port Colborne Royal Canadian Legion on Clarence Street host's fish fry's, and this would be another great opportunity for the Committee to get out into the community and make connections.
