being the By-laws to Provide for Drainage Works in the City of Port Colborne, in the Regional Municipality of Niagara, were enacted on the corresponding dates, and provide for the update of assessment schedules, as submitted by the corresponding Engineering firms; and

Whereas Section 74, Chapter D.17 of the *Drainage Act, R.S.O. 1990* (the Act) compels each municipality to maintain that portion of a drainage works within its limits; and

Whereas Section 61(1) of the Act authorizes a municipality, upon the completion of the maintenance of the drainage works, to levy the final cost thereof to the lands and roads liable, as stated in the Engineer's Report, so as to recover the cost of said maintenance; and

Whereas in compliance with such duty, the municipality has carried out maintenance of said drainage works as per the design of the Engineer's Reports, and the total actual cost incurred were \$302,724.77;

Now therefore the Council of The Corporation of the City of Port Colborne enacts as follows:

1. That the cost of the Drainage works as provided in their corresponding By-law, be levied against the lands and roads as set out in the assessment schedule in the Engineer's Reports, as amended, pro rate and as listed in the actual assessment column, as shown on Schedules A-Q attached hereto, to be levied and collected in the same manner as taxes.
2. That the assessed amounts will be automatically added to the billable tax accounts.
3. That the assessed amounts will be automatically added to the final tax bills and collected with the final tax amount.

4. That the By-laws identified above are hereby amended by replacing Schedules A – Q with Schedules A – Q attached hereto and forming part of this by-law.
5. That this by-law shall come into force and take effect on the day of its final passing.

Enacted and passed this _____ day of _____, 2024.
