Subject: Rail Safety Week 2024 | Proclamation request

As neighbours and partners in our shared commitment to rail safety, we are inviting you to join us in raising awareness for this important issue by adopting this proposed proclamation. This proclamation helps communities like yours officially recognize Rail Safety Week 2024 and its significance in your area.

Rail Safety Week will be held in Canada and the United States from September 23-29, 2024.

Your council's leadership is key to increasing public awareness about the dangers around tracks and trains. We are asking for your support by signing the proclamation and taking the time to engage with your community about rail safety. We will be proud to recognize your commitment publicly.

Rail safety is a shared responsibility and together, we can achieve our common goal of eliminating incidents and saving lives in the communities where we live, work and play.
