01 October 2021

November 11th Remembrance Day is fast approaching. This is an opportunity for everyone to remember those who gave of themselves for our freedom.

At this time we are requesting Council's approval to hold our annual Poppy Campaign commencing Friday, October 29th through to November 11th. Remembrance Day services will be held at H.H. Knoll Park Cenotaph on November 11th unless Covid restrictions prevent us from doing so. We will then stream it live on U-tube from the Legion but unfortunately the public would not be able to attend.

Any assistance, financial or otherwise would be greatly appreciated.

Yours in Comradeship,

Carol Madden, Poppy Chairman
R.C.L. Branch 56, Port Colborne
