Oil Mill Creek Drain											
Total Assessed: \$436,808.69											
Notes: 1. The above lands marked "F" are currently classified as agricultural according to the OMAFRA and are therefore entitled to a 1/3 grant. 2. Section 21 of the Drainage Act, RSO 1990 requires that assessments be shown for each parcel of land and road affected. The affected parcels of land are identified using the roll number received from the City. For convenience only, the owners' names are shown by the last revised assessment roll. 3. The value of the assessments identified in this schedule are estimates only, and should not be considered final. 4. Property 271104000302001 is a private road, Firelane 2 and ownership is shared. W A Winger is the name on the property record.
