Proposed Service Map (Port Colborne going into Fort Erie Crystal Beach Area)

Note the map above was created by the Niagara Region's service provider. The Service area is outlined by the blue line around the City. An additional blue line around the more densely populated area of the City highlights where the greater portion of rides are anticipated. The dots being blue and yellow indicate algorithmic pick-up and drop-off examples used to calculate the average wait time of 8 minutes and walking distance to a pick-up location of 55m to 80m.

Most importantly this map highlights this transit proposal would service all of the City and not just the central urban area.
