Port Colborne + Service Line Warranty Program

May 10, 2022

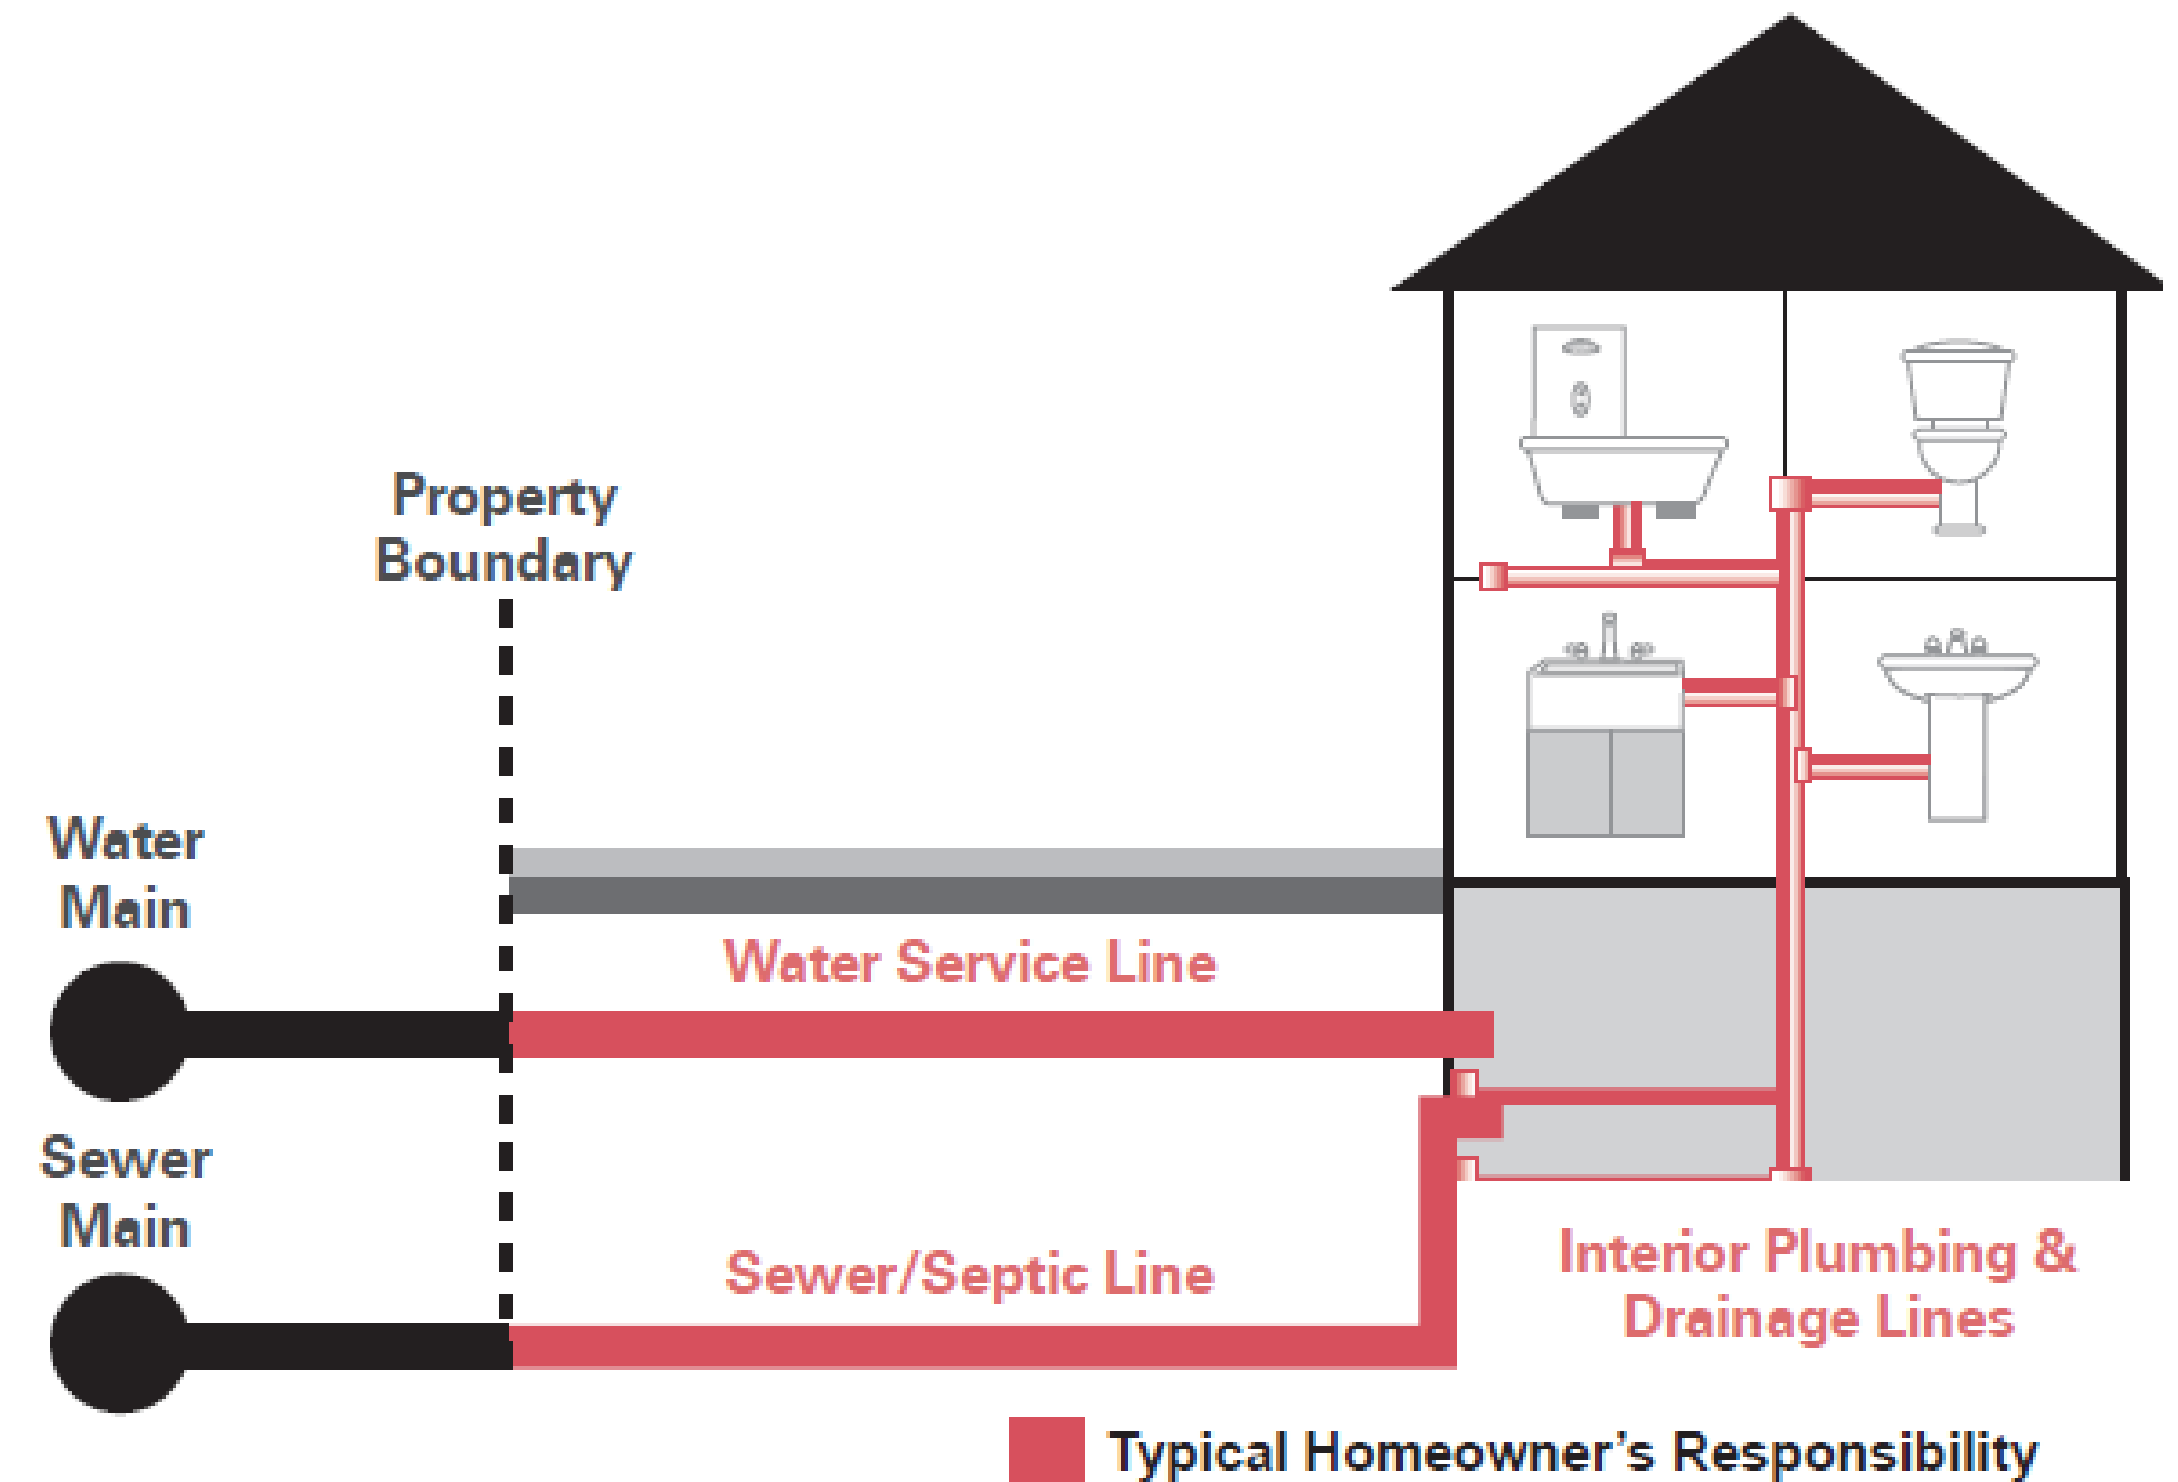

Many Canadians are **unaware** they are **responsible** for the water and sewer lines on their property

20%
think **the city
or town** is
responsible

66%
believe they are
not responsible for water
and sewer line damages
on their property

18%
think repairs are
**covered by
homeowners'
insurance**

25%
Not at all
sure

A recent survey showed that 88% of homeowners want their municipality to explain their financial responsibility as it relates to their water/sewer lines. As Port Colborne's partner, we will lead and fund an awareness campaign to educate residents along with providing a low cost, optional solution.

Many homeowners have **little money set aside** for repairs

31% have \$500 or less

We want to protect homeowners from costly expenses in this area and encourage Port Colborne residents to examine what type of coverage they have under their home insurance policy.

Many policies do not cover the repair and replacement of these lines. Moreover, they have deductibles and often many exclusions.

Our plans have no deductible and no out of pocket expenses.
