To: City Council Port Colborne,

Community Living Port Colborne-Wainfleet will be celebrating our 60th Anniversary on Saturday June 4th, 2022. We are planning an outdoor event from 2-5pm to celebrate this exciting event and we welcome you to join us.

This event is open to the public and due to the central location, accessibility and high visibility; we are hoping to hold this event at Market Square and King George Park.

We are requesting that Market Square be closed for parking on Saturday June 4th, 2022 from 10am-6pm for this event. We do plan on having three food trucks at this event, these would be the only vehicle required to access the area.

We appreciate your consideration.
