The Planning Act, R.S.O. 1990, as amended, provides that amendments may be made to the Official Plan. Policies of the Official Plan have been considered in the preparation of this Amendment and the following factors: 1. the policies will ensure compatibility with the surrounding land uses. 2. This Amendment is consistent with the Provincial Policy Statement, conforms to the Growth Plan for the Greater Golden Horseshoe and the Region of Niagara Official Plan.

### **PART B – THE AMENDMENT**

The Official Plan adopted by By-law 5855/109/12 and approved by the Ontario Municipal Board decision of November 25, 2013, for the Port Colborne Planning Area is hereby amended by doing the following:

Amend Section 8.3 Source Water Protection by relocating it to Section 4.1.3.2.

Amend Section 4 Natural Heritage by adding 4.1.3.3 Highly Vulnerable Aquifer policies

a) to f)

- a) Many owners of land outside of the Urban Service Boundary rely on groundwater sources from deep aquifers through a number of active wells for private water supply.
- b) A boundary of one of these aquifers is shown on Schedule B3 as a Highly Vulnerable Aquifer.
- c) An application for development on lands within the highly vulnerable aquifer are to be regulated by the Zoning By-law.
- d) Site alteration shall be restricted when not related to a Building Permit or Planning Act application in the vulnerable aquifer and when applicable, subject to requirements of O. Reg 406/19 made under the Environmental Protection Act.
- e) Outside of the Urban Area Boundary, existing land use considered to be a risk to groundwater that are located on Schedule B3 shall become legal non-conforming and shall, in the long-term be encouraged to relocate to the appropriate land use designation.
- f) That owners continue maintaining their private water supply systems in good working condition.

Amend Section 10 by adding the following to Section 10.1.1 Additional Policies:

- d) require site specific Zoning By-Law Amendments to permit ancillary land uses such as asphalt plants, cement/concrete plants, and aggregate depots that blend and stockpile aggregate materials with salt and aggregate transfer except where otherwise prohibited by the policies of this Plan, subject to:
  - i) the protection of adjoining lands from adverse effects of a reduced water supply, noise, dust, odour, lighting and outdoor storage;
  - ii) the protection of the environment from adverse effects of dust, chemical spills, run-off, or contamination of surface or groundwater;
  - iii) access being obtained directly to a road capable of bearing the anticipated loaded truck weights and conveying the cumulative volume of traffic without negative impacts to current traffic flow ; and,
  - iv) ancillary land uses will not be permitted where they are identified as a prohibited use in accordance with the Highly Vulnerable Aquifer policies in Section 4.3.2 of this Plan; and,

v) ancillary land uses will not be permitted where they are prohibited in O. Reg. 466/20.

- e) require site specific Zoning By-law amendments to permit ancillary land uses such as asphalt plants, cement/concrete plants and aggregate depots that blend and stockpile aggregate materials with salt and aggregate transfer except where otherwise prohibited by the policies of this Plan, subject to:
  - i) the protection of adjoining lands from the negative effects of a reduced water supply, noise, dust, odour, lighting and outdoor storage;
  - ii) the protection of the environment from negative effects of dust, chemical spills, run-off, or contamination of surface or groundwater;
  - iii) access being obtained directly to a road capable of carrying the anticipated truck traffic; and,
  - iv) notwithstanding b) above, ancillary land uses will not be permitted where they are identified as a prohibited use in accordance with the Source Water Protection policies in Section 8.3 of this Plan.
