**Subject: New Business Item 1.2
Update on Bill 23 - More Homes Built Faster Act, 2022 (Ward All)**

City Council on November 23 and 24, 2022, adopted this Item, as amended, and in so doing has:

1. Requested the Province of Ontario to extend the commenting period on Bill 23, More Homes Built Faster Act, 2022 to at least January 31, 2023 to enable time for consultation, consideration of alternative options and thorough analysis of both short and long-term impacts.

2. Requested the Province of Ontario to:

a. not proceed with any changes that reduce municipal development charges, community benefit charges or parkland dedication, including:

i. removing housing services from development charges;

ii. retroactively phasing in development charges over a 5 year period on top of City Council's previously adopted two-year phase-in that was mutually agreed upon with the development industry;

iii. discounting rates for purpose built rental units;

iv. adding new exemptions;

v. introducing caps to the development charges determined date and instalments interest rates;

vi. extending the development charges historic service level caps from 10 to 15 years;

v. removing growth studies and land acquisition costs from development charges recovery; and

vi. reducing caps to parkland dedication by-laws;

b. instead of the above-noted changes, create a provincial incentive program provided directly to developers or homeowners through targeted grants, rebate and other financial incentive programs; and

c. alternatively, create a municipal compensation fund to compensate municipalities for the impacts of Bill 23 on municipal growth funding revenues.

3. Requested the Province of Ontario to amend Bill 23 to preserve the City's Green standard, Rental Replacement Policy, parkland provisions, community benefits charges and Development Charges to facilitate responsible growth.

4. Requested the Province of Ontario to amend Bill 23 to preserve Toronto's ability to require a green development standards checklist (Toronto Green Standard) for a complete planning application.

5. Requested the Province of Ontario to amend the Planning Act to enable the implementation of Inclusionary Zoning across the City and incorporate definitions of affordable housing that respond to low and moderate household income.

6. Requested the Province of Ontario to amend the definition of "Affordable Housing" to follow the City of Toronto's "Official Plan Amendment 558 - Updating the Definitions of Affordable Rental and Ownership Housing", as approved by City Council on November 9, 2021.

7. Requested the Province of Ontario to enact a Regulation to permit the use of conditional zoning, pursuant to Section 113 of the City of Toronto Act, 2006.

8. Requested the Province of Ontario to delay the implementation of refunds for development applications in light of the significant changes to the Planning regulations and internal City processes regarding development.

9. Requested the Provincial government to provide funding and funding tools to the City, matching the amount of revenue lost through development charges, community benefits charges, and Section 42 of the Planning Act in Bill 23 to ensure the services needed to facilitate responsible growth continue to be delivered.

10. Requested the Province of Ontario to rescind the proposed changes to the Greenbelt to protect environmental features that support biodiversity, natural spaces, recreation trails, agricultural land, and watersheds that sustain all residents of the Greater Toronto and Hamilton Area.

11. Requested the Province of Ontario to retain the existing roles and responsibilities of the regional conservation authorities.

12. Requested the Minister of Municipal Affairs and Housing to change the effective date of the Refund of Fees for official plan amendments, zoning by-laws and site plan control applications contained in Bill 109, from January 1, 2023 to July 1, 2023.

13. Requested the Minister of Municipal Affairs and Housing to postpone enacting regulations under Schedule 4 of Bill 23, which would grant the Minister authority to impose limits and conditions on municipalities' regulation of demolition or conversion of rental units, until such time as there has been focused consultations with municipalities as part of the development of Minister's regulations to ensure municipalities can continue to require replacement rental housing and support impacted tenants.

14. Requested the Legislative Assembly of Ontario, through a majority vote, to withdraw Bill 23.

Yours truly,
