Hi Diana,

Please see my comments below.

A11-23-PC – 38 Church Street

- No comment

A12-23-PC – 510 Main Street West

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property
- Municipal Consent Permit will be required for the construction of new entrance or alteration of existing entrance on Oakwood Street

A13-23-PC – 510 Main Street West

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property
- Municipal Consent Permit will be required for site servicing connections to existing City owned infrastructure
- Main Street West is a regional road and will therefore require regional permits to work within the public right-of-way

B05-23-PC – 242 & 244 Humboldt Parkway

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property
- Municipal Consent Permit will be required for work within the City right-of-way (construction of entrances, site servicing, etc.)

B06-23-PC – 336 Sugarloaf Street

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property
- Municipal Consent Permit will be required for work within the City right-of-way (construction of entrances, site servicing, etc.)

B07-23-PC – 316 Second Concession Road

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property

B08-23-PC – 59 Omer Avenue

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property

B09-23-PC – 59 Omer Avenue

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property

B10-23-PC – 510 Main Street West

- Master grading plan is recommended to ensure the severed parcels will drain independently and without adversely affecting adjacent property
- Municipal Consent Permit will be required for site servicing connections to existing City owned infrastructure
- Main Street West is a regional road and will therefore require regional permits to work within the public right-of-way

B11-23-PC – 36 & 38 Page Street

- Final grading does not conform with proposed grading plan and is currently draining onto adjacent property

B12-23-PC – 194 Chippawa Road

- No comment

Cheers,
Nick
